Outdoor Learning SUMMER 2020

Dear Parent/Carer,

I am writing in advance of the Year 4 Summer 2020 trip after a response from parents to allow a longer period of time to spread the cost of any outings. We appreciate that you may have other children in school, therefore any pre-booked trips are now available to begin paying towards on Lunchshop Accounts. If you do not use Lunchshop, a payment card from the office is also an option.

In July 2020 we have an exciting overnight residential on Piel Island planned for Year 4. We take the children over to Piel on the first morning, spend the day rotating around lots of activities linked to their previous classroom learning or survival skills! We then will have a meal at night time, more fun and games before sleeping in a tent! The second day we spend on the beaches, creating natural sculptures and simply having a fun time before heading back to school after lunch.

We are very lucky at St. George's that our Head, Mr Herbert, and our Governors actively support and value the year round outdoor learning programme that we have for our children. Once again, they support the funding of this trip and have agreed to subsidise the visit. Therefore, the voluntary contribution we would like from parents is £20.00 per child. This is fully inclusive of the ferry across to Piel, 3 meals (evening meal, breakfast and lunch, as well as drinks and snacks over the 2 days). Also, all equipment will be provided (you can bring your own sleep bag if you wish). This can be or paid via your Lunch Shop Account or directly to the school office. As mentioned above, this can be paid in instalments between now and June 2020.

Details for the day will be sent closer to the time. If you have any questions about the above, please either speak to Mrs Ellis or contact the school office.

Yours faithfully,
Mrs Ellis
PE and Outdoor Learning Lead
