## **Year 6 - 'Boss Your Brain' Day**

I am writing to inform you that your child will be taking part in a specially organised day on Wednesday, 9<sup>th</sup> March called 'Boss Your Brain'.

The focus of this day is to equip children with the skills to understand how they can use and control their brain. Through taking part in a variety of activities, they will be able to see how this can have a positive impact on their learning and other aspects of their lives.

The children should wear casual, comfy clothes and sensible shoes. They will be provided with a buffet lunch.

All activities will take place in school and Facebook updates will be appearing throughout the day.

Work produced by the children will also be uploaded to Facebook at the end of the day which the children and parents can view at home after 4.00 pm. The day will end as usual at 3.15 pm.

If you have any queries, please contact us.

Yours faithfully

Mrs E Kent
