Covid Update

Following information received from Public Health Cumbria, we are strongly recommending the following small changes from tomorrow (Tuesday 30th November).

We ask adults to wear masks in communal indoor areas of the school and when moving around indoors. Visitors to school must also wear face coverings unless exempt.

We also strongly recommend children wear masks when on the school minibus, be it for school transport, swimming or any outdoor learning.

At present however, I see no reason any of this should affect the Christmas events we have planned in the next few weeks (although if absences and cases increase, of course this may change).

I firmly believe that with correct safeguards (limiting nativity audiences etc) we will be able to carry on giving our children the best run up to Christmas possible.

On another note, please make sure your child is well wrapped up in this chilly weather, with gloves and woolly hat if they have them.

As ever, if you have any queries or worries please get in touch.

Yours sincerely,

Mr Herbert
