### **Early Years at St George's- Film**

#### **F.A.O Little Dragons, Nursery and Reception**

Dear Parent/Carer,

We are making a very short video to show some of the wonderful work your children do here in Early Years at St George's. The purpose of this video is twofold. Firstly, it is to inform you what the Early Years journey is like for your children, so you can understand and support your child with the best information possible. The other purpose is to act as an online 'prospectus' so that anyone who is thinking about choosing our school has a good starting point.

It won't be just in the classroom, we want to show the whole experience so there will be different activities filmed outside school too. We will be sharing this on our website and also on Facebook to a wide range of prospective parents in the local area.

If you have indicated on your 'permissions' form that you do not wish your child's image to be shared online, we will ensure that it won't be. If you have any questions or queries regarding this, please do get in touch. Filming is likely to commence, at the earliest, this Thursday 5<sup>th</sup> March.

Yours faithfully,

Headteacher
