

Important Update - Packed Lunch Today may be Late

One of our minibuses has a slight problem so we only have one to deliver today. Therefore your lunches may be later than usual. Please bear with us, this should be fixed for tomorrow.

Home Learning Support

I want to thank everyone who is helping their children learn at home. Many of us have our own families home learning so we do know how hard it can be!

You are doing an amazing job helping your children learn as much as they can. Please remember, to give yourself some credit and don't worry too much. Try and get your children to do some tasks, with breaks and ask if you need support.

Exercise and family time are also important. 'School' isn't just lessons. Just try and set a routine and do the best you can. Our staff are there online to help you on Dojo and the children on Seesaw. Let them support you.

Our support team may be ringing you in the next few days to offer any practical help for individual families. As many of us are working from home, this may be a mobile number, so please pick up. We can help with any issues at all, whatever they are.

I can't stress enough how well as a school community you are doing. I'm looking forward to celebrating everyone's hard work in an assembly on Friday at 3.30pm.

Thank you for your support, we are in all it together and we will get through this.

Stay home and stay safe.

Kind Regards

Mr Herbert
