Dear Parents/Carers,

Having carefully considered the current information on the Covid 19 outbreak from a very wide range of sources and consulted with staff and governors, we have chosen what we feel will be the best course of action from this Monday 15<sup>th</sup> June.

We will open for:

- Key workers' children
- A wider group of vulnerable children
- Groups of year 6 pupils

We still feel strongly we must prioritise key workers' children/vulnerable groups. We are keeping to small group sizes with a maximum staff to pupil ratio of 2:10 in order to protect all involved. There is a very slight increase in the number of groups.

We have already contacted families who have been offered a place for the next two weeks. If you are a Key Worker with no other means of childcare you may get in touch; however it may be that you are disappointed. **After June 15<sup>th</sup>, there will be no change till the 1<sup>st</sup> July at the earliest.**

School are working as carefully and safely as we can, always keeping in mind the needs of the St George's family and very much appreciate your support at this difficult time.

**We are also working very hard to make sure transition between year groups will be as smooth as possible. In the next few weeks, we will be focusing on this planning.** Please take part in the online survey below, as this will help us and make sure your voice is heard. We are in this together.

Yours sincerely
