Good Morning. Due to several positive PCR tests among the adults in Nursery and Little Dragons I am taking the decision to shut both classes while we assess safety. No children have been affected, however our littlest people need a lot of supervision and care, and we are unable to secure enough staff to carry on today.

Parents of children in Nursery and Little Dragons ONLY, please collect your children from the front office as soon as you can. Please look out for symptoms but I must reiterate, no child has tested positive and indeed there is only 1 other case in the school.

Nursery and Little Dragons children and staff are in a separate area from the rest of the school and there is absolutely no reason whatsoever to remove any other children, including siblings. This decision is as much, if not more about staffing ratios as Covid.

Rest assured, we will keep you up to date and reopen Nursery and Little Dragons as soon as we have consulted further with Public Health and found suitable cover.

Thank you all for your support with this matter.

Regards,

Mr Herbert
