School News

Party Time!

The Little Dragons' birthday party went superbly this week. It was great to meet so many parents while enjoying the fun - the children really loved having you all with them. Thanks to the Nursery Team and supporters for organising the party and also to Mr Holmes for providing the photography.

School trips

This week Reception visited Barrow Park and the children were a real credit to St George's School with their behaviour.

The children in Little Dragons and Nursery also went out and braved the weather to walk to Barrow Library. They were all so well behaved and again were a credit to St George's School - well done!

Many of the older children have been testing their athletic skills on the Furness Academy running track, recording some fast times ready for the Cross Country competition that some will be taking part in soon.

Reminder - No After-School Maths Club Next Week

THERE WILL BE NO AFTER-SCHOOL CLUB NEXT THURSDAY, 6TH OCTOBER AS MRS STURGEON IS OUT. CHILDREN HAVE ALREADY RECEIVED A LETTER REGARDING THIS.

Reminder - Pick-Ups from After-School Clubs

Please can parents check the pick-up times of children from after school clubs. There were a number of instances this week where staff, often having their own children to collect, had to stay late after the club (which many of them do unpaid). We all appreciate your help with this - thanks.

Healthy School

Reminder - Harvest Festival

Harvest Festival is drawing closer. As mentioned in last week's Newsletter, we will be collecting items for Barrow Food Bank. If you can help with this, please could you bring tinned items/dried goods ie, pasta, rice, packet soup to School from the week beginning Monday, 3rd October. All items collected will be presented during the Harvest service to be held at St George's Church at 10.00 am on Thursday, 6th October. Parents, carers, relatives and friends of the children at St George's School are very welcome to attend the service. Thank you so much for your ongoing help and support with your donations.

Year 6 - STEM Transition Day

The children in Year 6 have been invited to Furness Academy for a STEM (science, technology, English and maths) day. This will take place on Friday, 7th October. Transport has been provided by Furness Academy. **A coach will be picking the children up at 9.00 am so it is really important that your child is not late on the day.** Furness Academy are also providing dinner - they have been made aware of any special dietary needs. Children will be back at St George's School at around 2.00 pm.

Reminder from St George's Church - 'Messy Church'

The monthly 'Messy Church' at St George's Church is happening this Sunday, 2nd October - 3-5 pm in the Church Hall. Please come along for a great family afternoon: there will be games, crafts and songs which are all themed around our Bible story for the month followed by a delicious family meal - entrance via Lonsdale Street. Thank you.
