Dear Parent/Carer,

KS2 SATS

Next week is the SATs for KS2. We have been very proud of how hard our Year 6 have been working towards them. Please remember Year 6 parents/carers that Breakfast Club is available to them free of charge this week, to give them the best start to the day. Please relax and enjoy the weekend and make sure your child gets a decent nights sleep before and during the SATs. At the end of the day, they are simply a rough snapshot, on a day, of subject knowledge. We know that there is much more to life, school and much more to our wonderful young people in Mr Costa's class. We wish them all the best this week.

Thank You Reverend Gary

All at St George's would like to wish Reverend Gary Cregeen the very best as he gets ready to take up his new post in Penrith and the Eden Valley. He has been a fantastic part of the school and community and goes with our heartfelt thanks. We had a presentation today for him in our Praise Assembly and he leaves at the end of the month with our very best wishes.

Truly Scrumptious Drawing!

Well done to Eden Simpson for winning the Barrow Operatic & Dramatic Society competition and winning a lovely prize which was presented at Praise Assembly. We also enjoyed the singing from Ryan, who plays Caractacus Potts.

Rugby Congratulations

A huge well done to our rugby team who won their group this week and have qualified for the next stage of the competition. Everyone played very well and we look forward to the next stage, again at Craven Park, the week after SATs.

Tennis

I was very pleased to see our tennis teams competing up at Furness Academy. It was the first time many had tried the sport and they performed very creditably indeed.
