18th January 2019

Dear Parent,

Wonderful Year Two

For those of you who may not have seen it, we received a wonderful message from Dalton Zoo staff - praising what wonderful, polite children we have in Mrs Marshall's Class. What a credit to you and the school they are, showing the true Spirit of St George's.

School Diary Link

We have been updating our Diary of Events and Parent Council will be helping us add more this morning. You can view this on the school website by clicking here:

Our Vision and Values

As a school community, we are looking again at our Vision and Values as a Church School. Children, governors, staff and today, Parent Council, have all been involved. It's so important as it gives us a chance to really think about how we celebrate our school and move forward. The children helped to translate and create twelve key visions for us. We will use this to write the next two years' development plan. School improvement should be about the hopes and dreams of parents/carers, staff **but especially the children**. Here is what we have agreed:

We will use the Spirit of St George's in the most creative ways to make school interesting and joyful

Everyone will make sure, together, that our lives are safe and secure

We all work together as a team to support our learning

Our teachers will know how I learn best - to be my very best self

We will have excitement in our learning for everyone to thrive

At St George's my learning and understanding of Maths will bring out the very best in me

At St George's my learning and understanding of Reading will bring out the very best in me

We will be sure no-one is left behind in their learning and will know how to best help them

All of us will work to be the healthiest and happiest we can. Mind, body and soul.

We will open our hearts wide, to life around us, and the world beyond

Governors will support us and make sure we follow our plan for the most fantastic school

Attendance This Week

Little Dragons	96%	Year 2	96%
Nursery	90%	Year 3	98%
Reception	90%	Year 4	97%
Year 1	100%	Year 5	97%
		Year 6	96%
