21st June 2018

Dear Parent/Carer,

I'm sure you agree our Science Week has been a huge success! There have been so many visitors and visits I barely know where to start! **I hope some of you will be able to join us for the Parents' afternoon tomorrow where there will be lots of fun experiments and an assembly to celebrate Science at the end of the week (please enter by Office Entrance at 1pm).** Expertise in science and engineering is a huge part of our lives here in Furness and it was great to see B.A.E and Centrica in working with our children, as well as paramedics from the NHS and Science professors on Skype answering questions. Many thanks to Mr Costa and the rest of the staff for organising it all.

Check Information Please

The diary is very full - which is fabulous news for the children but can sometimes be a challenge for the adults, keeping up with the activities. It is so important that your contact details are correct in the office. Also, we do need you to sign your GDPR consent form s- all this means is we can keep your records the same as we always have and you have more opportunity to understand what they are. Please look at the diary of events on the other side of this page.

Uniform and Lost Property

At the end of the month we will be recycling the Lost Property. We have a table outside the entrance to the Hall - please look. At one point this year we sent 4 separate items of clothing home with one child. We do work very hard to help the children look after their clothes but with the best will in the world we do need help to do so, from them as much as from you.

I am well aware that summer is approaching and parents are reluctant to purchase items they think are 'lost'. However, the correct uniform must be worn, as agreed by all. We are happy to try to provide spares in an emergency but items such as tracksuit bottoms, random pairs of shorts, non-black trainers and various types of hoodies should not be worn. Thank you for your co-operation with this matter.

Attendance Last Week

Reception	96%	Year 4	94%
Year 1	93%	Year 5	99%
Year 2	93%	Year 6	98%
Year 3	93%	Whole School	95%
