Dear Parent/Carer,

Fantastic Attendance

Thank you so much for attending our fantastic Parents' Morning. 103 adults came in to work on both Maths and English and to talk with teachers' on how best they can help their children learn. It was brilliant to see you all and to share our Praise Assembly. I'm sure there will be some great pictures to follow. Thank you also to our teachers for working so hard to accommodate everyone and to Nursery for the creche, so you could work with older children. A great effort all round!

Parental Consultations

These take place from 1.30pm in the School hall. My apologies as I may have put 2.30pm in some communications. Whatever the time, please do come and celebrate your child's progress, ask questions and air any concerns. If you haven't made an appointment already, please ring the office on 01229 841240.

Big Pedal Week.

Big Pedal Week encourages families to make healthy choices and leave their car at home. We will be recording the journey to school in each class and awarding points for biking, scooting, walking and then bonus points if their adult who brings them to school is also on a bike or even a scooter!

- **Child Journeys (bike):** number of pupils in the class who arrived at school by bike
- **Child Journeys (scooter):** number of pupils in the class who arrived at school by scooter
- **Child Journeys (walking):** number of pupils in the class who arrived at school on foot
- **Supporter Journeys:** number of supporters (parents, siblings, teacher, etc.) of the class who arrived by bike, scooter, or on foot

Please can we remind you that anyone who travels to school on on bike or scooter MUST have a helmet on. These are part of the guidelines we receive from the Local Authority.
