St George's Day Thanks

Thank you very much for your fabulous support on St George's Day. It was a brilliantly run event, from the children's service to lunch, where we were joined by around 100 adults - your community support is second to none. There were also some fabulous costumes, the individual prize for each will have been given out today. Special thanks must go to the kitchen and dinner staff who worked so hard to serve that amount of meals, school staff for assisting and especially Mrs Exley in the office for organising that part of the day.

INAPPROPRIATE VIEWING - PLEASE KEEP YOUR CHILDREN SAFE

We have been very alarmed in the last few months that children in this school, some Infants, are being allowed to watch horror films etc on various devices. This is both completely inappropriate but also dangerous for the children. Not only are the images on movies such as 'Five Nights of Freddie' likely to upset children, many of these adult platforms for films etc, could leave them open to communicating with predatory adults online. If any parent is unsure how to set privacy settings on a device, or would like any of these issues clarifying, please get in touch.

Well Done - Tennis Players and Footballers

Our Year 3 Tennis players made a great start to their tennis competition, winning quite a few games and starting to learn what for many, is a new sport. Our football team played extremely well in the tournament, reaching the quarter finals where they lost out to the eventual winners. The tournament was for a great cause, Kick Off 4 Dementia and I know there are lots of opportunities locally to support this in the weeks ahead.

KS1 SATS

Key Stage One SATS for our Year Two's take place over the next month. Just to reassure parents, we don't put pressure on the children, they go out in small groups or even individually and do a little at a time. Mrs Evans and Mrs Newbury are organising them for school, both of whom the children know very well. What we would ask is for children to be in on time and have had a good night's sleep so they feel alert, happy and ready to do their best. Thank you for your support with this matter.
