Friday 8<sup>th</sup> March 2019

Dear Parent/Carer,

There are lots of activities next week, both in and out of school for Science Week. We have the 'Hands on Science' in the Hall for the whole of Monday doing practical workshops with the children. Professor Toth will again be Skyping school. Lancaster University, BAE, United Utilities, Orsted and Barrow Radiers players will be helping with various science related activities in and out of school.

Here are just a few of the activities children may be involved in:

**Tuesday - Mr. Hopkin's Nursery and Little Dragons to St. Paul's Primary woodland and pond**

**Tuesday - Year 4 to Barrow 6th Form College 'Rocket Building'**

**Wednesday - Year 2 to Range/B & Q garden centres**

**Wednesday- Year 5 visit from BAE- Lego Electronics**

**Wednesday- Year 6 to Walney Beach - Beach Clean**

**Thursday - Reception to Dalton Zoo Bee Trail**

**Thursday- Year 1- 'Vehicle' Testing in Barrow Park (No Swimming for Year 1)**

**Thursday – Swimming as normal Years 3/5**

**Friday – Year 3 to Cumbria Crystal Ulverston**

**On Friday our Science Assembly takes place in the Hall from 1.30pm (Playground Gate will open at 1.20pm). All parents are welcome to attend to celebrate the week's work and there will be prizes for the young scientists and engineers who have engaged most with the activities.**

### **Comic Relief**

We have ordered 240 red noses and will be selling them, to raise funds for Comic Relief, from Wednesday afternoon at 1pm. They cost £1.25 and will be available, initially only one per child, from the School Office.

### **Sports and Clubs News**

Well done to our footballers who competed in the Year 6 tournament this week. On Monday it is the turn of our Inclusion team to compete in their competition. It was also good to see clubs so well attended and up and running. For any disappointed younger footballers, there may well be more opportunities next half term with Barrow AFC coaches.

### **World Book Friday**

What a fantastic turnout for World Book Friday! There were fantastic costumes and more than that, a real enthusiasm and love of reading around the school. Thank you so much for all your hard work.

### **Focusing on Forgiveness at Easter**

In the lead up to Easter, we will be focusing on one of our core Christian Values of FORGIVENESS. All the children from Years 1-6 have been given an Easter Diary, either in class or for homework, that have lots of activities for your children to enjoy and reflect on. The actual service itself will take place after the holidays this year. We will be working towards the event at the church in the weeks ahead, through assemblies.

### **Attendance**

Reception	99%	Year 4	97%
Year 1	99%	Year 5	92%
Year 2	96%	Year 6	97%
Year 3	100%		

**A really good effort this week. I am delighted to see Year 3 with 100%, however, very well done to Reception and Year 1 too!**
