**PARENTS' MORNING (Reception to Year 6)**  
**Friday 29<sup>th</sup> November - 9 till 10.45am**

Your children love you coming in to learn with us and we have another chance to do so next Friday morning! This term Parents' Morning takes place from 9 till 10.45am.

It's such a good opportunity for parents to see exactly what their child is doing in school, ask questions and just have fun! We have an English and Maths focus, at your request; this is so the children can show you how they work and help your understanding - they are so proud to share what they can do! There will also be the customary chance to enjoy playtime with them at the end.

We welcome on average of a hundred parents, carers or grandparents on site and to try hard make it the best learning experience for you and your children. To help with this, we will insist that younger siblings are placed in the **free crèche** which will be operated by our Nursery staff. A booking form for this will be attached to this newsletter. **Please fill this in and hand it in to the office by Thursday morning so we can allocate staff.**

On the day, please go with your child's class to registration on the morning bell. You will be able to swap between classes so brothers and sisters can also 'have a turn'. If you have any young children that will need to go to the creche, you will be directed to a drop off point by Mrs Smith in the Sports Hall area, then shown to class. We will also have a 'buggy park' so you can move freely through school.

**Christmas Arrangements**

It's that special time of year again in school, where we begin to gear up to Christmas. Please have a look at the various events on the back of this newsletter and notes to help you and your child enjoy it to the full!
