Outdoor Learning at Lakeland Maze SUMMER 2020

Dear Parent/Carer,

I am writing in advance of the Reception Summer 2020 trip after a response from parents to allow a longer period of time to spread the cost of any outings. We appreciate that you may have other children in school, therefore any pre-booked trips are now available to begin paying towards on Lunchshop Accounts. If you do not use Lunchshop, a payment card from the office is also an option.

Reception summer outdoor learning will be to Lakeland Maze Farm in July 2020. The farm is a working farm, so as well as cattle, sheep and various breeds of pig, there are ferrets, llamas, alpacas, pygmy and angora goats and horses to see. We will also visit the petting area, have a ride on a tractor as well as the huge play area. If you would like further details of the activities, head over to the website: <https://www.lakelandmaze.co.uk/information/farm-park/> .

We are very lucky at St. George's that our Head, Mr Herbert, and our Governors actively support and value the year round outdoor learning programme that we have for our children. Once again, they support the funding of this trip and have agreed to subsidise the visit. Therefore, the voluntary contribution we would like from parents is £10.00 per child. This can be or paid via your Lunch Shop Account or directly to the school office. As mentioned above, this can be paid in instalments between now and July 2020.

Details for the day will be sent closer to the time. If you have any questions about the above, please either speak to Mrs Sturgeon or contact the school office.

Yours faithfully,
Mrs Ellis
PE and Outdoor Learning Lead
