

Furness Abbey Visit Y3 September 2016

Weather wise we were blessed with yet another beautiful day. The day started with a visit to Furness Abbey. Many of the children had never actually been on the Abbey site before.

The children were fascinated by the Abbey ruins and constantly asked questions. They particularly liked the coffin shaped stone and the newly found treasure. The children were given the opportunity to dress up in monks robes!

After exploring the ruins, the children sat down to sketch part of the ruins and it seems we have some budding artists! We then had lunch in the Abbey grounds.

Next the children went blackberry picking. Again many had never had experience of this before. They were amazed at how many berries there were and we made a grand collection to make some blackberry crumbles when we got back to school.

The day was finished off with a run around and a roll down the amphitheatre hills. An action packed day was had by all, including the staff.

If you pay council tax to Barrow Borough Council you can visit Furness Abbey free of charge. Just show your current council tax bill at the Visitor's Centre and everyone permanently living at your address can benefit from this offer. (This is not valid for special events!)
