Dear Parent/Carer,

I am writing to you to inform you of the next phase of our return to school. These steps have been taken after careful risk assessment and also listening to the views of parents through the survey.

We will therefore, from Monday July 6<sup>th</sup>, be moving into our 'transition' phase, to enable ALL pupils, for one day, to see both their old and new teachers and for parents to touch base with school and see their child's next class. This year's Year 6 arrangements remain the same.

**Each class will be divided into two and each group will visit school on separate days.** They will arrive between 8.40 and 9 and line up, with parents, in socially distanced lines in the playground. **If your child is going into Little Dragons or Nursery there are different time arrangements and staff will contact you individually, with information as well as the transition pack.**

Parents will then be escorted to the Hall while children go with their 'old' teacher till 11am. There will then be an opportunity for parents'/carers to meet Mr Herbert, then the new teacher for half an hour and ask any questions they wish. Again, hand hygiene and social distancing will be observed at all times.

At 11am the children will go to their 'new' class teacher for the rest of the day. Pick ups will be from 3 till 3.15 and again will be done in a socially distanced manner, paying attention to guidelines. Children will need to bring a packed lunch and a drink unless they are in receipt of Free School Meals. For those at home, Free School Meals will still be delivered.

Please look at the information overleaf which will inform you of your child's transition day. If you have any queries at all, please simply ring us on 01229 841240 or e-mail [office@stgeorges.cumbria.sch.uk](mailto:office@stgeorges.cumbria.sch.uk)

We very much look forward to seeing you.  
Yours sincerely,

Mr S . A Herbert
