Little Dragons Welcome Booklet

School Street, Barrow-in-Furness, Cumbria, LA14 2JN. Tel: 01229 841 240

Little Dragons

Welcome to Little Dragons 2 Year Olds provision at St George's C of E School, Barrow-in-Furness. Our spacious and well lit room also has direct access to a large playground with covered areas, gardens, mud kitchen and much more.

At Little Dragons our aim is to make every child's first experience of school a positive one and as happy, fun and enjoyable as possible. We are committed to working in partnership with parents: by working together, we can enhance learning.

Our homely surroundings assist the transition between home and school; our priorities being the physical, emotional, intellectual and social wellbeing and development, of the children in our care.

Little Dragons Team

Mr S Herbert - Head Teacher

Mrs D. Smith - Nursery Teacher

Mr K. Hopkins - Higher Level Teaching Assistant

Mrs J. Lee - Higher Level Teaching Assistant

Miss L. Holmes - Senior Teaching Assistant

Mrs A. Riffatt - Teaching Assistant

Mrs m. Eacot- Apprentice Teaching Assistant

Miss M. Hutchins - 1:1 Support

All staff have enhanced D.B.S. checks for safeguarding.

Our children attend on a part time basis:

Our Opening Hours:

Little Dragons is open 5 days a week during school term, from 8.50am - 11.55pm, with afternoon sessions running from 12.00pm - 3.15pm (2.15pm on Fridays).

You are welcome to accompany your child into the classroom area at the beginning of the session. At the end of the session, please collect your child from the door.

For your child's safety we ask that:

ALL CHILDREN MUST BE BROUGHT TO NURSERY AND COLLECTED FROM LITTLE DRAGONS BY AN ADULT. PLEASE NOTIFY US IF SOMEONE DIFFERENT IS TO COLLECT YOUR CHILD. A Password system will also be used.

If your child is ill or absent for any reason, please let us know on **01229 841240**. Children with stomach upsets need to be kept at home for at least 48 hours after the last sickness episode.

Settling in

All families are home visited by staff to learn about your child's interests, their development, allergies and medical

conditions. A minimum of 3 transition visits for you and your child will also take place before your child starts. This helps the staff to prepare for a smooth transition to Little Dragons. Each child will have their own drawer in which they can keep comforters, nappies, wipes and spare clothes.

Activities and routines

As your child arrives at the beginning of the session, they are encouraged to hang their coat on their own peg and then will be supported by staff as they make play choices. During each session, your child will engage in rich indoor and outdoor learning experiences. There will be opportunities for your child to work on a one-to-one with their staff, and in small and large groups. Throughout the session, there will be access to water. A range of healthy snacks, milk, and water is provided. In line with school's healthy eating policy we ask that children do not bring any drinks or food to Little Dragons unless previously agreed.

Important - Please let us know if your child is allergic to any food products.

Each week, planning is displayed on the notice board. You can read what your child will be learning about and the activities they will be taking part in that week.

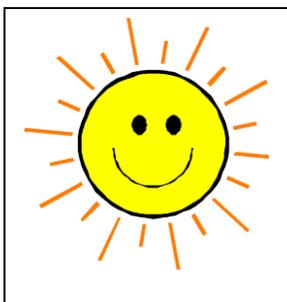

Clothing

An Early Years version of the School uniform is available but **is not** compulsory. Please write your child's name in all items of clothing and note that jewellery should not be worn. Please also ensure that your child has sufficient nappies and wipes for each session.

We kindly ask that you provide suitable, clearly labelled weather wear for each season. We will be accessing outdoor learning in all weathers!

Learning Away

Great importance is placed on nurturing your child's love of learning outdoors. Little Dragons will use the minibuses and explore the local environment - beaches and parks for example, where provision for all the seven areas of learning will be made.

Early Years Foundation Stage Curriculum

The **Early Years Foundation Stage (EYFS)** is how the Government and early years professionals describe the time in your child's life between birth and age 5.

Our children explore a rich and stimulating curriculum based on the seven areas of learning: Personal, Social & Emotional Development, Communication & Language, Physical Development, Literacy Development, Mathematical Development, Understanding the World and Expressive Arts & Design.

Sharing Achievements

We will regularly observe your child at play to help us to understand and support their individual wellbeing and development. We want to really get to know the children as unique people with special skills, interests, and ideas. The more we understand your child, the better we can support their learning. These observations will be used to inform the planning and your child's 'Learning Journal'. Over time this will celebrate and tell a story about your child's learning, friends, and the experiences they enjoy. The learning journals are available for you to look through at any time, although we do ask that it be kept in Little Dragons. At St Georges, we strongly believe that working together supports your child and gives them the best learning opportunities. Therefore,

we value your input into these learning journals and would love to hear about events, activities, or achievements, which have happened at home. Feel free to write us a note, have a chat to a member of staff, bring in a photo, drawing or message us using the Dojo app. Throughout the year, we will share curriculum ideas with you about how you can support your child's learning at home. We kindly ask that your child brings in their book bag each session as books will be sent home to share and so important letters can be placed in them. We will organise parent / staff consultations throughout the year to discuss your child's achievements and to let you know how they are settling in.

Moving into Nursery

As part of its ongoing, daily practice, Little Dragons works closely with St George's Nursery. Therefore, when the time comes to move into nursery the children will already be familiar with the staff and classroom, ensuring that your child enjoys a smooth transition. Further information will be given during the transition period.

Admissions

Anyone wishing their child to attend must register online through Cumbria County Council Citizen Portal and complete a registration form, available from the office accessed from School Street.

We hope that you find this booklet useful. If you have any questions, please speak to a member of the Little Dragons team, who will be happy to help.

Website

We have a school website and Facebook account. Please visit the website www.stgeorges.cumbria.sch.uk and click on the subsequent links to keep up to date with all the fun activities and learning that we do. Please take time to read our policies, which are also available on the website, as are our school newsletters and curriculum overviews.

We look forward to welcoming you and your child to Little Dragons at St George's C of E School.
