Try and make sure workload is lower, not higher even if the
breaks in the day seem shorter!

Opportunities in school hours, not too much 'out of school'.
No observations etc till 2021 at the earliest.

Light touch appraisal and assessment

Keep the creativity- POR/Outdoor education

Fill the gaps in learning- know the class
The basic processes (Phonics, Power Maths, Click, SAFE
which have been working must continue- but adapted
and targeted in Summer Term by KS using EEF
materials)

Focus on Oracy where necessary- re learning
the language of learning. (Voice 21 Training)

C of E SCHOOL

Resilience

SPIRITUAL

EMOTIONAL

Christian vision and values- focus in collective worship.
Make it more meaningful. Tailor better to individual age..
Place the Christian story at the heart of recovery.

No 'chasing excellence'. SIAMS (if it happens) isn't a
focus.

If we are doing our very best for our community that is
'good enough'

Be clever with film, social media and art with 'events'
to celebrate in the absence of parental visits – share
our collective joy to support our
Community

Continue to reach out globally- Shine Project with Mamelodi

Links with St George's Church maintained and strengthened

PHYSICAL

Build with outdoor learning and basic core
fitness. Look at take
opportunities still (Water Park/Outdoor
Ed/Kayaking)

Bring specialists in where necessary and when
able

Emphasis on outdoor stamina and experiences.

ALL Classes out for half a day once a fortnight

Localised frequent opportunities

Bespoke outdoor solutions for targeted children
and families
