SCIENCE WEEK

Monday, 14th March - Friday, 18th March 2016

St George's School will be taking part in 'science week' during the whole week beginning Monday, 14th March. All year groups will be taking part in lots of fun, science-themed activities throughout the week. Pupils and teachers from some local schools and the University of Cumbria will be visiting on various days to work with children in Years 3, 4, 5 and 6.

Year 4 will be going to St Bernard's School in the minibus on Friday, 18th March (in the morning) and Year 5 will be walking to Furness Academy on Wednesday, 16th March (after lunch) to take part in some exciting lab experiments - all highly supervised of course!

There will be a science competition on Wednesday, 16th March for all year groups (except Nursery) and there will be a science awards assembly on Thursday, 17th March.

We hope the children enjoy the week!

Mrs E Kent, Headteacher
